

Ladybugs  
grant wishes and  
make dreams come true!

Help spread the word about  
The Hous Foundation and how  
we make dreams  
come true.

Paint 2 ladybug rocks:

1 to keep  
&

1 for someone to find  
in your neighborhood,  
at a park,  
or on a trail.

When you hide your  
ladybug rock, take a  
picture, share it, tag us,  
and use #HousLadybugs

*Kids, ask your parents for help.*

### Some rock painting tips

- Leave the sticker on the rock – it will help people learn about the Hous Foundation.
- Paint on the side without the sticker.
- It may take a few coats of red – make the first coat or two light to create a base.
- Let the paint dry between coats.
- Remember, there is no wrong way to paint a ladybug rock!
